

Emy Canales

Owner Emy Canales Licensed Esthetician

Hello, my name is Emy. Originally from the east coast (both north and south), I'm now building a new chapter in the West. I have been a licensed esthetician since 2016 and over the years, I have been inspired by a multitude of approaches towards skincare and self care. Those experiences have shaped the way that I care for my clients today- combining results driven treatments with a calm, relaxing environment. I'm so grateful to be part of your skincare journey and can't wait to help you achieve radiant, healthy skin.

Fun facts: I love paddle boarding, slow mornings, reading about astrology and mythology, my cat Neo, and believe that self care is one of the best investments you can make.
